INTRODUCTION

Star Marine Services Limited has been established in 1983 as General Shipping Agency and Freight Forwarding company, with Head office in Tehran and branch offices in Bandar Abbas, Bandar Imam Khomeini (BIK), Bushehr, Assaluyeh, Kangan Persian Gulf/Tombak, Sarooj, Chahbahar, Kish Island, Khorramshahr, Kharg Island and all other Iranian Oil Terminal in Persian Gulf and Bandar Anzali and Noshahr in Caspian Sea .

Continue

We are member of:

The Cofounders who are actively involved in the day to day running of the company are highly educated in the field of Shipping Practice and Management with over 150 years of experience collectively, in all aspects of Shipping and International Transportation I.E. Liner Service, Dry and Wet cargo, Container, Break bulk, Car carrier, Heavy Lifts, Project Cargo, RO-RO and Tankers.

The management enjoys excellent reputation among Exporters and Importers and has contact at high level of the government and semi-government departments.

Continue

All our managers at the branches of Star Marine Services are local and coming from the same area with their local contacts which are enlisted to perform an excellent job at the Branch level to ensure the best service is rendered to our principals and give the vessel under our agency the quickest turn around possible.

Rest assured that you will find our services unrivalled and our D/A most competitive.

Continue

In addition to the above our freight forwarding and transit divisions are run by highly experienced managements and staff with contacts in their areas of expertise. They are fully trained and focused on customer service, efficiency, cost effectiveness and unrivalled quality service to the clients.

Our scope of activities and expertise in the areas of our services can enhance and compliment the services offered by our Customer and Principals who trade with Iran, C.I.S Countries, and Afghanistan.

For further details on our company, you are kindly requested to visit our website (www.starmarine.net) where in addition to useful information, you will also have access to our online customized D/A calculator which had been designed to calculate port charges for any types of vessel/tanker and for any type of cargo in any port and oil terminal in Iran.
